Producer Information Sessions

Join us for an information session to learn about the Canadian Agricultural Partnership Cost-share Funding Assistance for Producers Program. Canadian Agricultural Partnership (the Partnership) is a new, five-year commitment by Canada's federal, provincial and territorial governments to support Canada's agri-food and agri-products sectors through cost-share funding opportunities.

These information sessions will provide an opportunity to learn about the funding opportunities for Ontario Farmers under the Partnership, including eligibility and evaluation requirements, as well as demonstrations on how to access and complete an online application using ontarioprograms.net and the new Interactive Online Program Guide available at ontarioprogramguides.net

Unable to make an in-person session?

We are also offering information sessions through online webinars. To participate in a webinar, you need an internet connection as well as a telephone line. You must register for webinars as there are a limited number of participants per session.

The information sessions and webinars are offered by OSCIA field staff. To register for a webinar, please visit:

ontariooilcrop.webex.com and click on "Upcoming" or contact your local OSCIA field staff.
