### **RESPONSE FROM OSCIA Board of Directors**

Due to the weak response experienced over the past growing season, The Executive Committee has decided to suspend the provincial competition altogether until further notice. Local associations may decide to hold their own competitions in 2019 and beyond utilizing their own resources and competition features. The Self-assessment developed for 2017 will remain as a resource on the OSCIA website and those considering local competitions are encouraged to consider it as a feature.
