

**Resolution #15 – Prescott County SCIA - Rating Hybrids for DON**

WHEREAS there have been significant problems with DON corn in Ontario, and;

WHEREAS this issue presents severe financial consequences in the industry, and;

WHEREAS there have been identified links to certain hybrids susceptible to DON.

THEREFORE, BE IT RESOLVED that OSCIA work with the GFO to establish a system to rate hybrids for susceptibility of DON and/or the various fungi that contribute to the infection.
