

Resolution #1 – Renfrew SCIA – Cultivate Collaborative Opportunities

WHEREAS OSCIA’s on-farm field trial research is truly relevant to all Ontario farmers, and;

WHEREAS Many Ontario Soil and Crop Improvement Association’s priorities align with other Ontario farm groups, and;

WHEREAS Volunteer fatigue and network management for farmers (we all wear many hats), and;

WHEREAS On-farm research benefits Ontario farmers as well as farmland and the environment.

THEREFORE, BE IT RESOLVED that OSCIA collaborate with the other Ontario agricultural groups (such as Grain Farmers of Ontario, the Ontario Canola Growers Association, the Beef Farmers of Ontario, and Dairy Farmers of Ontario) by hosting more joint Knowledge and Technology Transfer events and research initiatives.

MOVED BY John Poel

SECONDED BY Jennifer Doelman,
Renfrew

CARRIED

ACTION: Sent correspondence to Renfrew SCIA outlining existing activities such as Living Labs and other current RKT (Research and Knowledge Transfer department) initiatives.
