

Resolution #2 – Middlesex SCIA – Coordinating On-Farm Research Results

WHEREAS A great deal of on-farm research is conducted on Ontario farms, and;

WHEREAS This research would have exponentially greater value if the protocols and results were coordinated at the Provincial level, and;

Carried.

ACTION: A response letter was sent to Middlesex SCIA indicating that at this time a cross-organizational coordinator was not feasible, however OSCIA continues to collaborate with GFO through other research initiatives including Living Lab-Ontario and ONFARM. Any suggestions for new avenues of engagement or where research can be featured were recommended to be sent to research@ontariosoilcrop.org.
